THE STREETS AT
SOUTHGLENN

The Streets at SouthGlenn is a regional, urban shopping destination as varied and vital as the city with upscale retail and restaurant offerings and as convenient and comfortable as the suburbs with luxury apartments, parks and promenades. The Streets at SouthGlenn energizes the area by providing distinctive shopping, dining, working and living experiences.

The Streets at SouthGlenn features a gourmet natural foods market, a movie theater, bistros, sidewalk cafés, and unique women's and men's apparel. The new retail center is a community-based destination that offers shoppers and residents a place to go for both daily needs and special occasions that will be enjoyed for generations.
