

Cornerstar is a 750,000-square-foot regional shopping destination. Located at the intersection of one of the most dominant, high-traffic corners in metro Denver, Cornerstar will be home to many of today's premier retailers and will offer convenient, superior shopping and dining options to the hundreds of thousands of people that pass through the intersection every day.

The new development will be home to a gourmet market, large format retailers, small shops and several restaurants. Cornerstar will bring leading-edge architectural design concepts to this prominent corner.
