

THE STREETS @  
**METCALF**

The Streets at Metcalf will provide choice and convenience for residents and visitors who seek to experience the best of an urban destination. Designed to actively engage all five senses, The Streets at Metcalf will offer an array of retail, entertainment and social venues that are of the highest quality.

The new retail center will include upscale boutiques, national and local retail shops and an entertainment complex, as well as office and residential space and a hotel. The 1.1 million-square-foot, mixed-use project's design will complement the surrounding community and be a place for all to engage and entertain.
